

PRELIMINARY PROGRAM (as at 18 February, 2021)**WEDNESDAY, 3 NOVEMBER, 2021**

08:00-17:30	Registration
08:45-17:30	Master Course (2 Coffee Breaks and light lunch Included)

THURSDAY, 4 NOVEMBER, 2021

08:00-18:00	Registration
08:30-08:45	Opening and Welcome Remark by EPDC President
08:45-10:45	DEFINITION, CLASSIFICATION, EPIDEMIOLOGY & DIAGNOSTICS
08:45-09:00	Introduction: Umbrella Reviews of MIH-Studies <u>N. Kraemer</u> , Germany
09:00-09:30	Definition, Classification & Diagnostics <u>M. Elfrink</u> , The Netherlands
09:30-10:00	Prevalence of MIH: A Literature Review and Standardization of Studies <u>S. Tayeb</u> , Saudi Arabia
10:00-10:45	ROUNDTABLE EDUCATIONAL DISCUSSION BY THE EXPERTS
	Learn about the Influence of MIH on the Quality of Life <u>Katrin Bekes</u> , Austria Experts Discussion: N. Kraemer, M. Duggal, E. Berdouses, T. Walia & K. Bekes What is QoL? How is QoL Measured? QoL of MIH vs. Healthy Children QoL of MIH vs. Caries QoL of MIH and Aesthetics QoL and Influence of Treatment
10:45-11:15	<i>Coffee Break with Light Bites (Exhibition Area)</i>
11:15-13:30	AETIOLOGY & GENETICS
11:15-11:45	MIH and Possible Factors Associations with the Aetiology of MIH <u>N. Lygidakis</u> , Greece
11:45-12:15	Are Endocrine Disruptors Responsible for Enamel Hypomineralization? <u>A. Bloch-Zupan</u> , France
12:15-12:45	Demystifying the Etiology of MIH and HSPM: A Risk Factor Analysis Based on Past Medical Records <u>A. Goyal</u> , India
12:45-13:15	Understanding Amelogenesis and its Defects: A Rare Diseases Perspective! <u>A. Bloch-Zupan</u> , France
13:15-13:30	Panel Discussion
13:30-14:30	<i>Light Lunch (Exhibition Area)</i>
14:30-15:30	Rapid Fire Session: New Horizons in Research
15:30-16:30	Industry Symposium 1
16:30-17:00	<i>Coffee Break with Light Bites (Exhibition Area)</i>
17:00-18:00	Interactive Session: Looking into the Future: How to Dissolve the Aetiology Fork? Panel: E. Berdouses; A. Bloch-Zupan; M. Duggal; N. Kraemer; N. Lygidakis; T. Walia
18:00-19:30	Welcome Reception for all paid participants

PRELIMINARY PROGRAM (cont.)**FRIDAY, 5 NOVEMBER, 2021**

08:30-09:15	Characteristics of MIH Affected Dental Tissue
	Morphological and Chemical Composition and the Influence on Mechanical Properties <u>N. Kraemer</u> , Germany & <u>A. Goyal</u> , India
09:15-11:00	REMINERALIZATION & SEALING
09:15-09:55	Remineralization: Non-Invasive Treatment (Fluoride, CaP, SDF) <u>D. Manton</u> , The Netherlands
09:55-10:15	Micro-Invasive Treatment: Sealing, Infiltration & Micro Abrasion <u>E. Berdouses</u> , UAE; Greece
10:15-10:45	Pain Control <u>R. Steffen</u> , Switzerland
10:45-11:00	Panel Discussion
11:00-11:30	<i>Coffee Break with Light Bites (Exhibition Area)</i>
11:30-12:30	Free Communications (Abstracts)
12:30-13:15	Industry Symposium 2
13:15-14:15	<i>Light Lunch (Exhibition Area)</i>
14:15-16:15	SHORT TERM MANAGEMENT: MIH, HSPM & INCISOR
14:15-14:45	Biological Treatment <u>M. Duggal</u> , Singapore
14:45-15:15	Short Term Restorations (HSPM) <u>M. Elfrink</u> , The Netherlands
15:15-16:00	Long Term Restorations: Direct Restorations, Incisor <u>Z. Cehreli</u> , Turkey
16:00-16:15	Panel Discussion
16:15-16:45	<i>Coffee Break with Light Bites (Exhibition Area)</i>
16:45-18:00	Guided Posters
20:00	Networking Dinner (Optional)

SATURDAY, 6 NOVEMBER, 2021

08:30-10:30	LONG TERM MANAGEMENT OF MIH
08:30-09:15	Direct Restorations: Molars <u>N. Krämer</u> , Germany
09:15-09:45	Indirect Restorations <u>K. Bekes</u> , Austria
09:45-10:15	The Orthodontic Solution <u>N. Vaid</u> , India
10:15-10:30	Panel Discussion
10:30-11:00	<i>Coffee Break (Exhibition Area)</i>
11:00-12:00	Free Communications (Abstracts)

PRELIMINARY PROGRAM (cont.)**SATURDAY, 6 NOVEMBER, 2021**

12:00 -14:00	SEVERE MIH-CASES: PULP TREATMENT & RESTORATIVE MANAGEMENT
12:00-12:20	Considerations for Pulp Inflammation in Teeth with Hypomineralization <u>Monty Duggal</u> , Singapore
12:20-12:40	Pulp Treatment of Severe Cases of MIH <u>O. Al-Batayneh</u> , Jordan
12:40-13:00	Severe Cases of MIH in Public Health Service <u>R. Berkovitz</u> , Israel
13:00-13:20	Different Restorative Options for Severely Damaged Hypomineralized Permanent Teeth <u>J. Casian</u> , Mexico
13:20-13:50	Interactive: Moderated Discussion on Pulp and Restorative Consideration
13:50-14:00	Closing of AMIT 2021
	Post Conference Session (by invitation only)
15:30-17:30	Interactive Session: Looking into the Future: Views from Different Scientific Associations/Societies
